What: Architecture & Engineering Week (ArchE Week) is a week-long series of events that celebrate all disciplines of engineering and architecture. ArchE Week is sponsored by the Engineers' Council and supported by engineering student organizations. The week will feature, among other things, a free barbecue and party and lineup of fun competitive events that are related to engineering, or just for fun!

Changes: Attempting to utilize company sponsors for events, volunteering hours will be open to all organizations

We are looking for individuals to be a part of the planning committee and take on an event during ArchE Week. If interested email erica brackman.26@osu.edu or matt hagmeyer.1@osu.edu
