6. BME Prospective Student Q&A Session
7. Closeout
Visit from the Dean

April 2nd Meeting

Presentation and Q&A Session

E-mail any questions you may have to Winnie Sampson. 38@osu.edu
1. **Outstanding Partnership with Industry:** Buckeye Current
2. **Outstanding Community or University Service:** ECOS
3. **Diversity Enhancement:** Engineering Allies
4. **Outstanding Advisor:** Shawn Midlam-Mohler, EcoCar
5. **Spirit of Engineering:** OhioMOD
6. **Outstanding Outreach with K-12:** EcoCar
7. **Overall Outstanding Student Organization:** SWE

A survey will be sent out in the near future asking for feedback.
Applications Open for LeaderShape 2015:

Looking for an incredible leadership experience this upcoming summer? Applications for the LeaderShape Institute are now open! LeaderShape is a week long, residential, life changing experience that focuses on teaching students values of leading with integrity! There is no cost to students thanks to sponsorship from Coca Cola and The Office of Student Life.

Applications are due Friday, March 27th.

To learn more and apply for this experience check out the LeaderShape website (leadershape.osu.edu) or reach out to the program coordinator, Matt Van Jura (Vanjura.1@osu.edu) for more information.
GM Innovation Challenge

THE COMPETITION

• Who: Any undergraduate engineering student (must be at least sophomore status & minimum GPA of 3.0)
• What: GM is looking for creative teams (2 to 4 students) to develop and present quick and cost-effective ways of incorporating new and rapidly advancing technologies into existing manufacturing facilities.
• Where: 1st round will be held at Ohio State (Judging will be held in the Union) and 1st place winners will be transported to GM Headquarters to compete nationally
• Prizes: Each team member receives $500 for winning 1st round and 2nd round wins another $1,000 per member & internship opportunity for summer of 2016

More information can be found at ohiostatesme.com or contact Dauterman.11@osu.edu
SAC Lunch Coordinator

- **Date:** Saturday, 4/11/15
- **Time:** 11:30 am-1:30 pm
- **Location:** The Union
- **# of Volunteers Needed:** 4-6
- **Description:** Lunch will be provided for those that are attending the SAC. Volunteers will arrive a half hour before lunch to set up the area and prepare to receive the SAC attendees. All of those attending the SAC will have name badges that will grant them access to lunch. Volunteers will check name badges to ensure that the right people are getting food. Volunteers will help clean up after lunch. Volunteers will be provided food.

If interested please contact Erica Brackman.
SAC Campus Guide

- **Date:** Saturday, 4/11/15
- **Time:** 11:30 am-1:30 pm
- **Location:** The Union
- **# of Volunteers Needed:** 2-8
- **Description:** Volunteers will be positioned in the Union and another location TBD to direct SAC attendees to different locations on campus should they have questions. Volunteers will be given a FAQ sheet for answering questions that attendees may be given. Additionally, volunteers may direct students towards one of the SAC leads. These volunteers will be called upon to assist with various tasks throughout the day such as setting up competitions with a competition lead and helping with our career fair.

If interested please contact Erica Brackman.
BME Prospective Student Q&A Session

- **Date:** Friday, 3/27/15
- **Time:** 10:00-11:00 am
- **Location:** 245 Bevis Hall
- **# of Volunteers Needed:** 3-4
- **Description:** High school students and their families have registered for a 2 hour BME info session / tour on March 27. Each prospective student tour includes a current student panel Q&A section. This panel session will be from 10:00am - 11am in 245 Bevis. Volunteers would give the student perspective of what it is like to be a BME major here at OSU. And also be able to answer other student life questions that may arise like what it's like to live in residence halls, class difficulty, time management, student organization involvement, etc. I am looking for 3-4 BME majors to serve on the current student Q&A panel.

If interested please contact Erica Brackman.
